About Brazil Minerals, Inc.

[Brazil Minerals, Inc.](#) (OTC: BMIX) along with its subsidiaries has a business model focused on: 1) mining specific areas for gold and diamonds, and 2) generating projects from its portfolio of high-quality mineral rights for transactions leading to attractive equity positions and/or royalties. Our first equity holding from such strategy is [Jupiter Gold Corporation](#) (OTC: JUPGF). More information on Brazil Minerals is at www.brazil-minerals.com. Follow us on Twitter: [@BMIXstock](#).

About the MicroCap Conference

The MicroCap Conference is an exclusive event for investors who specialize in small and microcap stocks. It is an opportunity to be introduced to and speak with management at some of the most attractive small companies, learn from various expert panels and mingle with other investors. For more information please visit: www.microcapconf.com or contact Ashley Allard at ashley@microcapconf.com.

Safe Harbor Statement

This press release contains forward-looking statements made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward looking statements are based upon the current plans, estimates and projections of Brazil Minerals, Inc.'s management and are subject to risks and uncertainties, which could cause actual results to differ from the forward- looking statements. Such statements include, among others, those concerning market and industry segment growth and demand and acceptance of new and existing products; any projections of production, reserves, sales, earnings, revenue, margins or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements regarding future economic conditions or performance; uncertainties related to conducting business in Brazil, as well as all assumptions, expectations, predictions, intentions or beliefs about future events. Therefore, you should not place undue reliance on these forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: business conditions in Brazil, general

economic conditions, geopolitical events and regulatory changes, availability of capital, Brazil Minerals, Inc.'s ability to maintain its competitive position and dependence on key management. This press release does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. We advise U.S. investors that the claims listed in the BMIX Mineral Claim Bank are exploratory in nature, and as of now do not have "reserves" as such term is defined in the Securities and Exchange Commission's Industry Guide 7.
